## Hello From the Executive Director

When one thinks of Easter most of us celebrate by decorating eggs and putting out Easter baskets for the children. What does the Egg symbolize at Easter? New Life, Rebirth and Fertility. We are wishing each of you a wonderful holiday and beautiful spring filled with hope. We are looking forward at Harbison Shores to enjoying the spring weather and flowers in our updated courtyards.

Elaine M. Till, NHA, CRCA  
Executive Director

Czar Nicholas commissioned jeweler Peter Carl Fabergé to be the "goldsmith by special appointment to the imperial crown." Fabergé was given free rein in the eggs' designs. From a needlepoint motif to a delicate lattice, he did not hold back—not only was the outside of each an intricate work of art, but the insides were even more elaborate, with each containing a hidden surprise. Thus, the tradition of Easter eggs bearing gifts was born.

## Employee of the Month

This month, we are recognizing our wonderful cook, Ronnie Young, as our employee of the month. Ronnie is a very humble and peaceful man, who everyone enjoys working with. He enjoys fishing and basketball, and really anything involving the outdoors. Also here's a fun fact: Ronnie's daughter, Shakeema, is one of our weekend concierges. Ronnie, we are so thankful to have you here, and keep up the great work!
