Hello From the Executive Director

Father's Day is a day to honor fatherhood and celebrate the role of fathers and father figures in our society. It was founded by Donora Smart Dodd who wanted to pay tribute to her father, a war veteran and single parent of six children. The first Father's Day was celebrated on June 19, 1910, in Washington state. It became a nationwide holiday in the United States in 1972, after President Richard Nixon signed a proclamation. Father's Day is observed on the third Sunday of June in the United States.

We will be celebrating all the men at Harbison Shores this Father's Day.

Happy Father's Day,

Roses for Dad

People often think to give flowers to the women in their lives, but studies show that men appreciate floral gifts just as much—yet they're less likely to get them. You can change that oversight this month by honoring a special guy in your life with a red rose, the traditional flower for Father's Day. The custom dates back to the very first Father's Day celebration, held in 1910.

"When the sun is shining I can do anything; no mountain is too high, no trouble too difficult."

Employee of the Month

One of the reasons we chose Monique as the employee of the month is because her love for the residents made it easy for her to make a decision to go over and beyond her own obstacles, to get to work to take care of them.
