Hello From the Executive Director

July 4th is Independence Day! In the midst of all the BBQs, firecrackers, and concerts, take a moment to honor the men and women who fought and fight for the freedom we are celebrating.

And in the spirit of pride and unity, we would also like to thank you for allowing us to take care of your loved ones. We appreciate your support. From the Harbison Shores Staff, have a wonderful 4th of July.

Lady Liberty

The Statue of Liberty is among America's most famous national monuments. Here are some little-known facts about the icon:

- The city of Boston put in a bid for it.
- Its creator, Frederic-Auguste Bartholdi, wanted it to be covered in gold so that it would be visible at night.
- Inventor Thomas Edison said he was designing a huge phonograph disc for the statue's interior so that it could "talk."

"Even the smallest victory is never to be taken for granted. Each victory must be applauded."
 —Audre Lorde
